OUTSTANDING ENGINEERING EDUCATOR AWARD

Purpose: To recognize a member of IEEE Albuquerque Section who has shared technical and professional abilities through teaching in industry, government, or in an institution of higher learning and in so doing has made an outstanding contribution to our profession.

Schedule: Call for nominations February 10, 2008
Nomination packages due April 10
Recipient notified April 21
Award presentation IEEE Albuquerque Section Awards Banquet

Scope: One award annually

Nomination Package: 1. IEEE Albuquerque Section Outstanding Engineering Educator Award Nomination Form, completed by the nominator
2. Two (2) letters of endorsement

Basis of Selection

1. Importance of educational contribution
2. Level and extent of involvement in engineering education
3. Output of patents, books, papers, technical presentations, and other educational products
4. Service to IEEE
5. Service to non-IEEE professional/technical organizations
6. Recognition though other honors
INSTRUCTIONS FOR COMPLETING THE
OUTSTANDING ENGINEERING EDUCATOR AWARD
NOMINATION FORM

Specific Instructions:

1. Nominee's name as it should appear on the award
2. IEEE membership number and grade, year joined IEEE, year awarded current grade
3. Nominee's current professional or occupation affiliation (government agency, corporation, or academic institution) and title
4. Nominee's business address and telephone number
5. Nominee's residence address and telephone number
6. Nominee's educational background
7. List the names, addresses, and telephone numbers of all endorsers. Each nomination must be accompanied by two letters of endorsement other than that of the nominator. The use of IEEE members as endorsers is encouraged but not required.
8. Nominator's suggested citation, which will appear on the award and in publicity releases. Be concise, but ensure that the citation reflects the award criteria and the nominee's specific achievement(s).
9. Nominator's name, IEEE membership number and grade, address, residence and business telephone numbers, e-mail address, and current IEEE position
10. State why the nominee is deserving of this recognition. Describe in what capacity this individual has been exemplary, emphasizing contributions that went beyond what might have been expected of others in this field.
11. List primary service to IEEE
12. Describe the nominee's career of involvement in engineering education and teaching, emphasizing the individual's particular distinction in this field.
13. Provide a list of the patents, proprietary designs, papers, articles, technical presentations, significant educational responsibilities, and other information to support an accurate determination of the nominee's productivity.
14. List service to the profession in professional/technical organizations other than IEEE.
15. List recognition received through other honors.
16. The nominator must sign and date the nomination form.

Remember that this award recognizes educational contributions, whether made in formal academic settings or within government or industry. This award is not limited to teaching in academic institutions, but, rather, includes continuing education and other nontraditional educational opportunities.
1. Nominee's name:

2. Membership No.
   Membership grade: M  LM  SM  F
   Year joined IEEE:
   Year awarded current grade:
   Resident of Albuquerque Section since:

3. Nominee's professional affiliation and title:

4. Business address: Phone:

5. Residence address: Phone:

6. Education:
   Institution   Degree   Year   Honors

7. Endorsements (two required):
   Name:           Name:
   Address:        Address:
   Phone (O):      Phone (O):

8. Citation (suggested):

9. Nominator Information:
   Name:
   IEEE membership number and grade:
   Address:
   Phone (O):
   E-Mail address:
   IEEE position:
10. State succinctly why the nominee should be so honored:

11. List all service to Albuquerque Section, including dates of offices held:

12. List service to IEEE not already included in the above response:

13. Provide a summary of the nominee's career, including years and positions, emphasizing contributions made to engineering education:

14. List the nominee's patents, proprietary designs, papers, technical presentations, etc. (You may also provide any additional information that supports the nominee's qualifications):

15. Describe the nominee's service to the engineering profession through non-IEEE activities and organizations:

16. Summarize recognition the nominee has received through other honors:

17. Nominator's signature: ____________________________ Date: ___________

Submit your nominations to:

Email to: Christos Christodoulou (christos@ece.unm.edu) or
Address: Christos Christodoulou, ECE Department, MSC01 1100, University of New Mexico, Albuquerque, NM 87131
OUTSTANDING GRADUATE ENGINEERING STUDENT AWARD

Purpose: To recognize a graduate student member of IEEE Albuquerque Section who has distinguished himself or herself during her/his graduate career by outstanding academic performance, interest and dedication to the electrotechnology profession.

Schedule: Call for nominations: February 10, 2008
Nomination packages due: April 10
Recipient notified: April 21
Award presentation: IEEE Albuquerque Section Awards Banquet

Scope: One award annually

Nomination Package:
1. IEEE Albuquerque Section Outstanding Graduate Engineering Student Nomination Form, completed by the nominator
2. Two (2) letters of endorsement

Basis of Selection:
1. Importance of engineering major/minor
2. Level and extent of student dedication to her/his academic work.
4. Service to IEEE
5. Service to non-IEEE professional/technical organizations
6. Recognition through other honors
INSTRUCTIONS FOR COMPLETING THE
OUTSTANDING GRADUATE ENGINEERING STUDENT AWARD
NOMINATION FORM

Specific Instructions:

1. Nominee's name as it should appear on the award
2. IEEE membership number and grade, year joined IEEE, year awarded current grade
3. Nominee's current major, study year and university/college.
4. Nominee's school address and telephone number
5. Nominee's GPA, completed credits and intended major/minor
6. List the names, addresses, and telephone numbers of all endorsers. Each nomination must be accompanied by two letters of endorsement other than that of the nominator. The use of IEEE members as endorsers is encouraged but not required.
7. Nominator's suggested citation, which will appear on the award and in publicity releases. Be concise, but ensure that the citation reflects the award criteria and the nominee's specific achievement(s).
8. Nominator's name, IEEE membership number and grade, address, residence and business telephone numbers, e-mail address, and current IEEE position
9. State why the nominee is deserving of this recognition. Describe in what capacity this individual has been exemplary, emphasizing how this student distinguishes him/herself from other of his/her peers, and what makes this candidate special and excel beyond what might have been expected of others undergraduate students in this field.
10. List any primary service to or on behalf of this Section, including dates associated with each elected or appointed office held.
11. List service to the Institute outside of those already described in the previous section.
12. Describe the nominee's academic work and involvement in engineering, emphasizing the individual's particular distinction in this field.
13. When available, provide a list of the patents, proprietary designs, papers, thesis, articles, technical presentations, significant educational responsibilities, and other information to support an accurate determination of the nominee's excellence as an undergraduate student.
14. List service to the profession in professional/technical organizations other than IEEE.
15. List recognition received through other honors.
