### Proposed Plan of Study

1. List **all** remaining courses/semesters needed to earn the BS degree starting with your upcoming semester. Note your "Student Classification" as "BS" for these semesters.
2. Specify which of those courses are being shared by adding "Shared" next to the course.
  - a. If you plan to take additional graduate credits while still in the BS, add "Grad Only"
3. List all remaining courses for the MS for subsequent semesters. Note "Student Classification" as "MS".

**You should complete this with help from your faculty advisor for the MS program.**
